Discussion was held due to equipment and facility concerns with regards to Level 10 and Elite athletes who compete trampoline only, specifically in-ground trampolines and low ceiling height. It was determined that any Trampoline Only athlete who does not meet State Championship eligibility participation requirement due to the inability to perform routines at

local Prelims due to these factors would be considered for entry to the State Championship on a case by case basis. Athletes and teams should make every attempt to perform all routines at all meets. Paid entry to a prelim may be considered as competition if the equipment is unsuitable. There should be few exceptions needed as the Prelim 3 location is suitable equipment for all levels and most Level 10s and Elites will be attending at least one other competition prior to State Championship, such as Mega Meet, VIP Classic, or other Elite Mobility Meet.

**Motion to accept meet bids as assigned, with the exception statement.**

**Motion:** Deanna

**Second:** Leslie

**Vote:** 5 yes, 1 abstain (L. Dooley)
